Associate Clinical Professor/Section Head One Health Laboratory
Veterinary Science Building
University of Missouri/CVM/VMDL
Columbia, MO 65211

Dear Dr. Moore:

The U.S. Department of Agriculture, Animal and Plant Health Inspection Service, Veterinary Services recognizes the University of Missouri One Health Laboratory as a laboratory to conduct rabies serology testing of pets for export purposes. Animal disease testing for export purposes must be completed in an approved laboratory when required by the importing country.

Sincerely,

Amber Headen, DVM
Director, Live Animal Exports
